

# GOAL SETTING

## SECOND GRADE

Name: \_\_\_\_\_

By second grade, many students are able to read simple chapter books independently. Second graders have begun to enjoy specific authors and genres. They particularly love reading books in series. At this age, students are curious about the world around them, and especially enjoy reading books about students from different cultures. We recommend that each student reads for 20 minutes per night, five nights per week.

## Monthly Goals:
