

# GOAL SETTING

THIRD GRADE

Name: \_\_\_\_\_

Third graders enjoy reading books in series. At this age, they have begun to understand that words can have more than one meaning, resulting in a love of jokes, riddles, and puns. It is important for students at this age to be allowed to choose their own books. They enjoy silly stories with a real-life context. We recommend that third graders start with 200 minutes the first month and increase by 50 minutes each month.

## Monthly Goals:

Month	Time Per Month
Example	200 minutes
