

Goal Setting Guide

First Grade

Name: _____

Books for **first graders** still contain simple concepts, picture clues and predictability, but sentences are more complex. First graders like to make predictions about what will happen next, give their opinion about what characters should have done, and make up new endings for stories. We recommend that each child reads for 20 minutes per night, five nights per week.

Monthly Goals:

Month	Time Per Night	Nights Per Week
Example	20 minutes	5
October		
November		
December		
January		
February
